a moment in thyme:

“Upon first sight, we were charmed with the cottage exterior, and even more enamoured by the footprint (potential for extension) and abundance of surprising interior space. We’ll always remember our home and how it bestows an ease for enjoying and living day to day life- with a generous storage room, substantial driveway, plus a coffee shop, park and playground within walking distance. We’ll forever be thankful for the extraordinary memories this home has gifted us. It’s quite literally where our family began- from our wedding, to our precious children being born.”
